W-02859A-04-0844

Dear Judge Nodes:

At the April 18, 2006 hearing on the Certificate of Convenience and Necessity Application in the subject docket, you requested, and we agreed to provide, two late filed exhibits.

The first is a map of the Company's Certificate of Convenience and Necessity including the distribution system which establishes the Department of Water Resources Service Area and thereby includes the requested extension area in the Company's Designation of Assured Water Supply. The second exhibit is an Affidavit regarding mailing, or this instance hand delivery, of Notice of the April 18 Hearing to the Property Owners.

In the event you have any questions regarding this matter, please do not hesitate to call.

Sincerely,

Richard L. Sallquist
